15. FIDE WORLD CADETS CHAMPIONSHIPS PARTICIPANTS

Totally 48 players will participate in the World Cadets Championships, 8 players in each category. All 48 players are personal right players with free FB.

- A. 3 spots - the three winners of the World Cup, that was organized the same year.
- B. 4 spots – one nomination from each continent. The nominations shall be sent by the continental President's offices.
- C. 1 spot – nomination from the organizing federation.

16. FIDE WORLD CADETS CHAMPIONSHIPS SYSTEM

- The World Cadets Championships will be played with two stages.
- The time control is 90 minutes for each player plus 30 seconds per move starting from move one. The default time is 30 minutes.
- Stage 1 will be a round Robin tournament
- The organizer will create two groups of 4 players: Group A and Group B. The average Elo rating of the both groups must be as equal as possible. Unrated players will be allocated to the groups in alphabetical order.
- The ranking is determined by the number of points. The tie-breaks are:
 - A) Direct Encounter
 - B) Sonneborn – Berger
 - C) Sonneborn – Berger – 1
 - D) The number of victories
- In Stage 2, players who finish in the same position in each group will play against each other.
- The match will be best-of-2 games. In the matches between players who finish in the odd-numbered positions in their group, the player from Group A will be white in Game 1, and the player from Group B will be white in Game 2. In the matches between players who finish in the even-numbered positions in their group, the player from Group B will be white in Game 1, and the player from Group A will be white in Game 2.
- If the match is drawn, a best-of-2 rapid match will be played. The time control will be 15 minutes plus 2 seconds per move. The default time will be when the absent player's time expires. The colors in each game will continue to alternate from the match in Article 4.4.1. Appendix A4 of the Laws of Chess will apply.
- In case of another drawn match, sudden death blitz will be played. The time control will be 3 minutes plus 2 seconds per move. The default time will be when the absent

player's time expires. The first player to win a game will win the match. There will be a drawing of lots to determine which player has white in the first game, and colors will alternate if subsequent games are needed. Appendix B2 of the Laws of Chess will apply.

- The winner of the match between the two group winners will be ranked first. The loser of the match between the group winners will be ranked second. The winner of the match between the group runners-up will be ranked third.
